1. General Overview

The mission of the National Library of Indonesia (Perpusnas) is to guide, develop and make the most of all kinds of libraries; preserve references (printed and recorded) as nation's cultural achievements; and to provide library services to all. Indonesian Government has set up 11 national priority programs as stated in the National Medium Term Development Plan (RPJM Nasional) 2009-2014. The library development program belongs to the 11th program which is under the Field of "Culture, Creativity and Technological Innovation". Targets to be achieved in the library development programs are:

- a. Providing reading materials to develop reading habit and culture of the society
- b. Improving ITC based library services throughout the country
- c. Improving the quality and capacity of the library throughout the country to support lifelong education
- d. Preserving and utilizing the national intellectual works.

2. Relationship with Government and Legislations

Perpusnas is a non-departmental government institution. Perpusnas is responsible directly to the President of the Republic of Indonesia while in performing its operational duties, Perpusnas is under the coordination of the Minister of National Education.

According to the Library Act No. 43 which was issued in 2007, Perpusnas has 6 functions namely:

- a. as the library development center,
- b. as the referral center,
- c. as the deposit center,
- d. as the research library,

- e. as the preservation library
- f. as the center for library networking.

Perpusnas has the obligations to:

- a. develop the library national system which support the national education system
- b. provide equal library services all community
- c. develop the quality and quantity of the national collection
- d. promote reading habit and the use of library within the community
- e. develop the quality of librarians
- f. To acknowledge those who own and preserve manuscripts.

According to the Deposit Act No. 4 1990, Regulation No. 70 1991 and Library Act No. 43 2007, Perpusnas to has the obligation to collect, preserve and utilize all printed and recorded materials produced within Indonesia.

Since June 2010, Perpusnas has new executive management boards that are Mrs Sri Sularsih (the Director), Mr Dedy Junaedi (the Secretary General), Mrs Lilik Soelistyowati (Deputy for Developing Library Collection and Information Services), and Mr Bambang Supriyo Utomo (Deputy for Developing Library Resources).

4. New Developments in Creating and Building Collections

In creating and building its collections, Perpusnas has done the following programs:

- a. In the year 2010, Perpusnas has successfully produced 500 volumes of historical maps which have been converted into digital formats (31 CDs), and 15.000 old photographs. Perpusnas has also digitized 8.331

pages of old newspapers and 1.250 volumes of ancient manuscripts and 750 volumes of rare books.

- b. In the year 2011, Perpustakaan will digitize 10.000 pages of old newspaper, 5.000 pages of current newspaper, and 30.000 volumes of rare book, magazine and manuscript.
- c. Starting in 2008, Perpustakaan has subscribed e-journal and e-books intended to be accessed by public from the 31 Provincial Libraries, 2 Presidential Libraries and 2 District Libraries. In the year of 2010 and 2011, Perpustakaan subscribes 12 subjects from Proquest and 5 subjects from EBSCO, while for e-book Perpustakaan subscribes 1403 titles from GALE, INGRAM, IGI GLOBAL and 25.000 title from WESTLAW.

5. New Developments in Managing Collections

In managing its collections, Perpustakaan has also done the following:

- a. Developing Online Union Catalogue (1.104.410 records) and National Bibliography
- b. Developing the Indonesian National Digital Library
For the initial project all provincial libraries are requested to submit 400 files of their local contents (100 files for books and the other 300 files can be in the forms of photos, pictures, videos, texts etc)
- c. Developing Centers of Excellence which focusing on local content in 6 Provincial Libraries namely Provincial Library of Riau (focus on information about *Budaya Melayu*), Provincial Library of East Kalimantan (focus on information about *Budaya Kalimantan*), Provincial Library of Yogyakarta (focus on information about *Budaya Jawa and Sunda*), Provincial Library of Bali (focus on information about *Budaya Bali and Nusa Tenggara Barat*), Provincial Library of South Sulawesi (focus on information about *Budaya Sulawesi*) and Provincial Library of East Nusa Tenggara (focus on information about *Budaya Nusa Tenggara Timur and Malenisia*)

6. New Developments in Providing Access to Collections

In order to achieve its targets, Perpustakaan has initiated to revitalize the library services through developing e-Library Program. The program covers:

- a. Developing closed network to the 35 nodes representatives of 31 Provincial Libraries, 2 Presidential Libraries and 2 District Libraries
- b. Developing 15 Website templates for 15 provincial libraries
- c. Developing Web Archiving
- d. Developing Data Recovery Center
- e. Developing Data Center

- * More than 50 servers; web server, application server, data base server, repository management server, connectivity management server & network management server, APC server

7. Collaborations with Other National Institutions

Taking the role as a guiding library for national scope, Perpustakaan has been doing collaborations with other libraries, especially those under regional governments. Some of the collaborations are as follows:

- a. Developing District and Village Libraries including libraries in small islands, coastal and border areas
 - Developing District Libraries
Started from 2007 up to 2011 Perpustakaan has granted 450 district libraries out of the 497 district libraries with small amount of stimulant money in the form grant delivered in 3 consecutive years. The grant is aiming to develop their collections, provide hardware and software as well as brain ware.
 - Developing Village Libraries
Started from 2007 up to 2011 Perpustakaan has developed and/or supported 19.281 out of 70.611 village libraries with books related to their need, library facilities, and technical trainings.
- b. Developing Libraries in Small Islands, Coastal and Boarder Regions
Started from 2009, Perpustakaan has supported 160 libraries in small islands, coastal and boarder regions
- c. Developing Mobile and Floating Libraries
Started 2004 up to 2011 Perpustakaan has distributed 409 mobile libraries to the 33 provincial libraries and 347 district libraries including 7 floating libraries for 6 provinces. It is planned in the year of 2011 , there will be 30 more mobile libraries to be distributed;
